

BROMSGROVE SCHOOL

**PRE-PREP KS1 PUPIL –
RESPONSIBLE USAGE POLICY**

This is how we stay safe when we use computers:

- I will ask my teacher if I would like to use the computers, cameras or other digital equipment.
- I will ask my teacher if I would like to use an iPad and will always follow the iPad rules.
- I will ask my teacher if I would like to use the internet and only use activities that my teacher has told or allowed me to use.
- I will take care of the computers and other digital equipment.
- I will keep my passwords safe and will not share personal information about myself or others.
- I will be polite and kind when I communicate with others.
- I will ask for help from my teacher if I am not sure what to do or if I think I have done something wrong.
- I will tell my teacher straight away if I see something that upsets me on the screen, either at home or at school.

I know that if I break the rules on purpose then a sanction may be given. I may be given a red warning card or not be allowed to use a computer or iPad.

Please read and discuss these points with your child at home.
